Parish Pastoral Council [ppc@catholicchurchharpenden.org.uk](mailto:ppc@catholicchurchharpenden.org.uk)

With the images of salt and light, Jesus says what he expects from his followers. They don't need to be always thinking about their own interests, their own prestige, their own power. Even though they are a small group in the huge Roman Empire, they are the "salt" and the "light", that the world needs. "You are the salt of the world." The simple people of Galilee spontaneously knew what he meant. They knew what salt is good for: giving food flavour and preserving it from spoiling. Just so, we need to contribute to helping people find the savour in life. "You are the light of the world." Without sunlight, our world would stay dark and gloomy. Jesus' disciples can shine a light to probe the meaning of life, to walk with hope.

These metaphors have something vital in common. If the salt stays in the shaker, it doesn't do its proper work. Only when it dissolves in the food can it give flavour to what we eat. The same thing happens with light. If it stays closed up and hidden away, it can't enlighten anyone. Only when it shines out in the dark can it illuminate and guide. A church isolated from the world can be neither salt nor light.

Pope Francis calls on the Church today to "go out to the margins." He prefers a church that is "bruised and dirty because it has been out on the streets" to one that is "clinging to its own security, caught up in a web of procedures." We can't allow ourselves to be buried in our structures with passive hope. The Gospel invites us to run the risk of meeting face to face with others. It wants to promote culture of encounter, and in so doing to heal wounds and to warm hearts.

## PARISH FEAST DAY

Next Saturday, 11<sup>th</sup> February, is the feast of Our Lady of Lourdes, our parish feast day. To mark this day there will be Mass at 11.30am, which will include the Sacrament of the Anointing of the Sick. This Sacrament is for those who are of 'advanced age and are chronically unwell'. Do think about coming to honour our patron. After Mass there will be refreshments in the undercroft. If you need help in getting to Church, or could offer a lift, please get in touch with the Parish Office.

The book will be brought up, at those Masses, where there is an offertory procession, and placed on the Altar.

## NEWSLETTER

Most parishioners are now receiving the weekly newsletter by email, and this seems to be working well, saving a lot of paper, and expense to. A few copies are placed in the porch each week, for those who may not have email, and these copies are for those people. **So, if you have a computer please do not take a copy of the newsletter.** If you don't presently receive the newsletter by email, but would like to do so, please email your details to the Parish Office.

## A JOB WELL DONE

As in every parish, there are many tasks that contribute to its smooth running; some of which are unseen. 22 years ago, Nick Morris kindly agreed to keep the books for just three months, but things

lasted, a little, longer than was planned! Having diligently kept the parish accounts over these years, Nick has now decided that it is time to hand over to someone else.

We owe Nick a big debt of gratitude for all that he has done over the years, and for voluntarily giving his time and talents, for the good of the parish in this way.

## WARM SPACES

Our 'Warm Space' has now been running for six weeks, and although numbers are not great, the volunteers, are keen that we continue to offer this service. From this week, there is a change of time and day. The warm space, will be available each Monday between 12noon and 2.00pm. So, again, if you know anyone who might appreciate some warmth, refreshments and company, please tell them about our warm space. Thank you to the volunteers who signed up so quickly, to cover the slots during February.

## PRAYER REQUESTS

From time to time, there may be a person, or intention, you would like to pray for. If so, there is now a book available, on the table with the gifts, for you write down the prayer intention.

## LENT 2023

### LENT GROUPS 2023

As in previous years there will be groups meeting throughout Lent to reflect, share ideas and pray. The sessions this Lent will be based on Praying the Our Father, by Carl E. Olson which is described by one theologian as "the best collection of Lenten reflections she has seen." The booklet is available from CTS Books £3.50 or at the first meeting.

If you have not been part of a group previously, please do consider joining in this year. The groups are friendly and thought-provoking. There are opportunities for sharing ideas but no pressure to do so. There will be groups meeting on some mornings/afternoon and evenings depending on the demand. Please email:- [juliaandnigel057@gmail.com](mailto:juliaandnigel057@gmail.com) or phone 07891083251 with your choice of day, time and contact details.

## PARISH AREA COORDINATORS

Following the recent email to parishioners who receive the newsletter, we have received 27 acceptances from people willing to get involved in contacting Catholics in or close to their location.

**It's a great start but we need many more.** This will not be an onerous task but simply to say 'hello', perhaps make the occasional telephone call to check on well-

being, knock on a door, or just pop a parish newsletter through the letter box, it's all part of our parish mission. Please consider joining the team and help to get to know your neighbour by emailing: [dr.harpendenolol@gmail.com](mailto:dr.harpendenolol@gmail.com)
